# ONE TEAM PROGRAM

Kobe's One Team Program is designed to help coaches and equipment managers quickly and easily identify their team uniform needs.

One Team gives a complete visual overview of our products matched to your team colours and with your team logo applied. From game day jerseys to dryland training apparel, One Team includes everything you need to look like the pros. Best of all, every One Team package includes unique benefits, tailor made for each team.

## HOW DOES IT WORK?

- 1 A Kobe Sportswear dealer will have a one on one consultation with you regarding your team's needs.
- 2 Product styles, colours, and pricing will be discussed and noted.
- 3 A professional graphic artist will render all products with your team logo and numbers to your specifications.
- 4 A special sponsorship page will accompany the proposal that you can then send to your team members for review.
- 5 Receive your Kobe gear and play in style. Remember to send us pics!

Kobe Sportswear is with you every step of the way, fulfilling program requirements on a timely basis. Customize colours, patterns and logos to create an exclusive team uniform design.

Team up with Kobe Sportswear and an authorized dealer to select and/or customize many of our in-stock items, providing a long term solution for your team jersey and apparel needs.
