CELEBRATING 30 YEARS

Since 1992, Kobe products have been trusted by athletes around the world. In our early years, we focused on a simple program that included jerseys, socks, bags and team apparel. We have grown to offer game wear and uniforms for all sports and a huge custom program to allow customers to fully realize their vision.

*For our 30th year, we have added over **30** in-stock patterns to our K3G Pro Series bringing our industry leading total to 126! This includes the new Seattle jersey, updated Calgary and St. Louis jerseys, and several popular alternate or vintage designs. We are also proud to launch our **NEW** 2-colour premium practice jersey with updated styling, the 5475! We will have more exciting new products and updates to share this Fall so make sure to follow us on social media and join our mailing list to get the latest news, clearance and promotions!*

We are committed to reinventing ourselves and our product line. We are focused on improving our customer experience, enhancing our online tools for our customers, and building up stock to ensure our products are always readily available at any time of year. Thank you for 30 amazing years. We are just getting started.
